- h) Eligibility sheets must be “in the hands” of the convenor prior to the first game in which the players listed thereon participate.
- g) Additions to the list may be submitted on another UOVHSAA/EOSSAA eligibility form or made in the form of a letter duly signed by the Coach, Phys. Ed. Head or Athletic Director and the Principal. The letter must include all information as on the regular eligibility sheet.

- h) The student must be registered in the school at least 10 days before the first match in which he/she competes.

- j) Any player may compete in one contest in a higher age category without being permanently attached to that category.

  - ii) Player Eligibility: if a team plays an ineligible player, all matches played with the ineligible player will be defaulted. The score for the defaulting team will always be zero (0). If the non-defaulting team won, they will count the actual points scored. If the non-defaulting team lost the contest, then the official score will be 2 – 0 for that team.
- o) As a function of the inconsistency between the UOVHSAA fall rugby season and the EOSSAA/OFSAA spring rugby season, UOVHSAA teams participating in spring EOSSAA/OFSAA competition must ensure their EOSSAA/OFSAA rosters comply with current EOSSAA/OFSAA eligibility requirements. Matches will begin at 3:30 PM unless otherwise noted.

#### **7. Regular Season Play**

- a) Any school wishing to enter the UOVHSAA Rugby League must do so by filling out the intent to compete form (see Appendix II) and returning it to the convenor by the end of the first week of school. - d) Two points shall be awarded for each game won. One point will be awarded for a tie and zero for a loss.

### **8. Tie-Breaking Rules**

If two or more teams are tied at the end of the regular season, the following tie breaking procedures shall be followed:

- vi) If the tie cannot be broken with all of the above, a flip of the coin will determine placement.

### **9. Playoff Format**

If there are four or more teams, the format will be :

4 versus 1 and 3 versus 2. The winners of these two semi finals would play at the highest ranked winner's home field. If there were three teams, the format would be a final game: 2 versus 1 for the championship.

Playoff games will be two thirty minute halves. If tied at the end of regulation; two five minute halves will be played. If still tied, there would be another two five minute sudden death halves. If there are any points scored during this time the game would be over. If the games are still tied, each team would have three kickers kick from the 22 metre line; the team with the highest number of successful kicks would win. If still tied, each team would alternate kicks five metres back of the 22-metre line. Once one team made a kick where the other team could not reply a winner would be determined. After each successful group of kicks, the kickers would continue to move back five meters.
