

UOVHSAA LETTER OF INTENT

All teams submitting an entry for an UOVHSAA team championship must indicate on submission of the entry form whether or not they are prepared – in every sense of the word – to represent UOVHSAA at the EOSSAA championship. Furthermore, all teams participating at the UOVHSAA team championship must bring to the championship a letter attesting to this commitment over the signatures of the coach, the AD/PHE Head, and the Principal. Furthermore this letter is to be received by the convenor prior to play beginning. The letter must be received to qualify for the EOSSAA Championship.
